

# Students & Instructors

- ~DAC instructors will be wearing face masks while teaching and when students are in the building.
- ~Students must wear masks while entering/exiting the building and also while taking class.
- ~Students will have their temperatures taken before entering the building with a touch-less thermometer. Students with a temperature above 100.4 degrees or higher will be sent home.
- ~Students will not be permitted to bring cell phones into the studio as they are covered in foreign germs.
- ~Finally, all parents will need to fill out the COVID-19 waiver before their dancer enters the building. The waiver can be found on the DAC website.
