

Policies & procedures for a safe reopening

During Class

~All students & staff must use hand sanitizer before entering the studio.

~Upon entering the building, dancers will be directed to place water bottles & dance shoes 6 feet apart from each other in the hallway. These spots will be cleared marked.

~Students will need to have a clear plastic bin (the size of a shoebox) to place belongings in while taking class. Please do not bring cell phones into the studio. There will be no cubbie space available.

~Students must avoid physical contact including hugs, fist bumps, high fives, handshakes, etc.

~Students will be directed to dance on specific markers on the floor which are more than 6 feet apart from each other.
